

The reply filed on May 2, 2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): it is only an IDS (without any amendments or arguments made in response to the previous office action). In addition, the examiner is requesting an indication in English of how the newly cited references in the May 2, 2008 submission were used in any rejections made by the JPO. Typically, this information was made available to applicant in the form of a written rejection by the examiner in the Japanese patent office. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John K. Ford whose telephone number is 571-272-4911. The examiner can normally be reached on Mon.-Fri. 9-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cheryl Tyler can be reached on 571-272-4834. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
